

What Does It All Cost?

There is a Mold Development charge of **\$300.00** (for sizes up to 3" x 4").

This is a one time charge as long as you don't change the artwork or logo dimensions.

What We Need from You:

A large sharp black & white copy of the logo (exactly how you want it). Artwork can be sent as a .jpg or .pdf file.

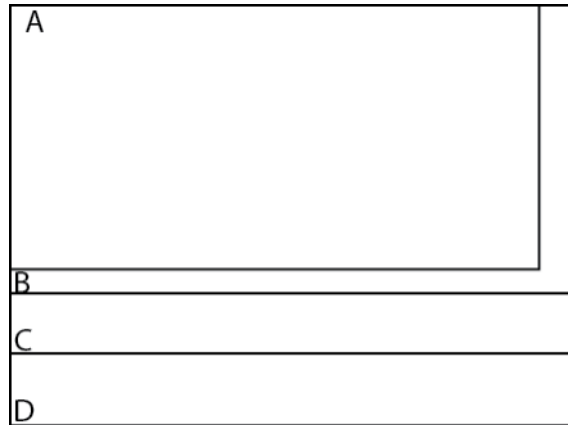

When Will My Order Be Ready?

A mold development takes 1 - 2 weeks. After the mold is created we can start producing your chocolates.

The production time needed varies on the quantity, type of chocolate (milk, dark, white) & the seasonal demand.

* Repeat orders do not require mold development.
